## SEASONAL FAVOURITES

A selection of the most popular Christmas orders over the last few years - providing some useful ideas and guidance as you consider your 2014 Christmas order.

**Turkey** is still the most popular Christmas joint - ours are traditionally reared on grassy paddocks with a wholly natural diet - no additives or growth hormones. Sizes from 10 - 26 lbs. Roll Joints from 3 - 10 lbs (see panel below). Cranberry Sauce goes well.

Our **Chicken** still tastes like chicken! Bred to RSPCA Freedom Food standards they taste good because they live happily in first class conditions with space to run around and play. All our chickens are English - we want our customers to enjoy safe food in the knowledge that we would not sell anything that went against our principles or high standards. Sizes from 3lbs to 6lbs.

Our **Geese** are full of flavour gained from their free-ranging in Thames-side meadows. Available Small, Medium, or Large. (Top Tip: Use your goose fat for roasting potatoes ~ goose fat also available as an extra from us.)

**Duck** and **Pheasant** make for a change, as does our locally sourced **Venison**, low in fat but with a pleasant slightly gamey flavour.

Our free-range **Pork** comes from local counties and is a favourite Christmas joint. Leg, Loin, or Shoulder for roasting.

As far as **Beef** goes, favourite joints are Fore-rib of beef - on-the-bone of course - or a good Sirloin. Green's Beef all comes from local counties where standards of husbandry are unsurpassed. Our **Beef Wellingtons** feature sumptuously tender fillet of prime beef with onions, mushrooms & fine pate, wrapped in bacon & encased in our famous puff pastry - available in various sizes to suit your party.

**Lamb** is proving increasingly popular for a special meal in the week between Christmas and New Year. Green's Butterfly Legs and Crowns of Lamb are a speciality. Please ask for advice on cooking to perfection. Of course, one of the best things about buying meat from Green's is that you can have your cuts prepared exactly as you want them...and if you're not sure how you want it, all you have to do is ask.

Last but not least **Gammon** - prepared ready for you to boil or roast at home. Good on its own or alongside Chicken or Turkey.

Please let us know if you'd like your Turkey or Goose boned and/or stuffed ~ will need to be collected by December 13th (but full storage instructions are provided).

**Stuffing:** We make three varieties here in Pangbourne - Savoury; Chestnut; and Brandy & Apricot. All the taste and texture - none of the work!

**Sauces:** Cranberry; Horseradish; Apple; Mint; Redcurrant Jelly. Traditional accompaniments for your chosen meat.

**Real Gravy:** Made with our own turkey stock just like grandma used to!

**Pigs in Blankets:** Our famous dry cured bacon wrapped around a chipolata - always a favourite with the children.

**Chipolatas:** Small free range pork sausage made by us to our own award-winning recipe. Also available cocktail size.

**Sausage Meat:** Free-range pork from Hampshire is the basis for this luxury sausagemeat.

A slice or two of **Cold Cut Pie** makes for a welcome and easy meal over the holiday period. Choose from small, large, or extra large (2lb) Pork Pie; Pork & Egg 'Gala' Pie; Turkey & Cranberry; or Ham & Chicken Pie - whole or by slice.

And our home-cooked **Hams** are a real favourite - choose from Traditional or Honey Roast - joints ready to carve or by the slice.

What could be nicer for a late breakfast or brunch one day than some **Bacon, Egg and Sausage**? Green's is free-range of course - home-cured bacon (streaky or back; green (unsmoked), smoked, or maplewood smoked); a free -range hens' egg; and your choice from our flavoursome award-winning range of sausages. Popular choices for Christmas orders have been Olde English; Pork Original; Pork, Chilli, & Apricot; Pork & Sage; Pork & Leek; Venison; Pork with Caramelised Onion; Rustic Italian; or Cumberland.

Away from the formality of the dining table - a buffet perhaps? **Scotch Eggs** - original or chorizo with free range pork and free range egg for maximum flavour - make for a quick and easy meal. For the larger appetite - Green's traditional **Sausage Rolls** are a must - why not try the Smithfield-Award-winning Pork, Chilli, & Apricot Sausage Rolls - now that's different!

Green's home-made **Quiches** are available in individual, 6" or 8" (or 10" quiches made to order). The range includes: Traditional Ham & Cheese; Fresh Garden Herb; Mushroom & Pepper; Salmon & Broccoli; Cheese & Tomato.

It's often said that once you've tried a Green's **Hot Pie** you will never really want another make again. So why not stock up your freezer with some for the Christmas period - you'll find a complete list of varieties on the back of this leaflet - take your pick! (Please stock up with Pies before December 14th, while the full range is available - they will be supplied 'green' and frozen). Fancy a hot snack - raid the fridge for a traditional Cornish or Cheese & Onion **Pasty** - real good quality fillings and light pastry!

We haven't mentioned everything we offer in this leaflet. Some of our 'Champion of Champions' Chorizo-Stuffed Pork Cutlets for Christmas Saturday perhaps? Some fillet steak for midweek? Or Lean Corned Beef for a sandwich in the evening? Let us know in this space on your order form.

**Top Tip:**  
Save time when you collect your order by giving us your Payment Card number in advance on 0118 984 2063... we'll give you the receipt when you call in.
