October 2017
Annual Christmas Letter

Some of our lovely customers have been so kind as to say that they really look forward to my annual letter! So I must try hard not to disappoint, although once again I am sitting at my desk summarising the past year thinking about Christmas on a bright sunny day. Last year's letter referred to the rebuilding of our rear facilities and the hope that starting immediately after Christmas it would be completed by end of March! Foolish me! For a variety of reasons, work ran on into June!

Along the way, the adjoining unit (Wilflower) became available, with the Tomlin's retiring, so despite already being under pressure we just had to acquire it. So for three months, we had two projects in tandem. The important thing throughout was to ensure that our customers continued to receive the best product and service, which I believe we achieved thanks to the sterling efforts of the team. Something, however, had to give and that was competitions, to the delight of some of our rivals we did not enter any, watch out next year.

We now have a fantastic facility and we are very proud to show it off, it is built to last for the long term! Ask to have a look during a quieter time, I think you will be impressed.

Our "Gold Medal Team" look forward to preparing your order once again, with the very finest quality beef, pork, lamb and poultry, and all the things we make from them; sausages, bacon, hams, pies and more. The turkeys and geese are looking good for Christmas, and once again we've managed to keep the prices the same as the previous year.

Included in this letter is your Christmas order form. Please complete and return by 15th December. Your kind cooperation helps us to cope with what is a major event.

Thank you again for your continuing support. Philip, the team and I wish you all a very good Christmas and New Year.

Yours sincerely,
